

## **CLERK'S REPORT - Full Council meeting - 29<sup>th</sup> April 2019**

### **Local Council Award Scheme (Foundation Level)**

We have been notified that the Parish Council's application for the Foundation Level of the Local Council Award Scheme has been successful. The logo has been uploaded to the Parish Council website and we will be sent a certificate to display in the Parish Office.

### **Audio-visual control box**

A lockable door has been installed on the audio-visual control box in the cupboard in the Stanton Hall. This has been done to prevent hirers of the Stanton Hall from unnecessarily changing the settings.

### **Defibrillator**

The defibrillator has been installed on the wall of the Stanton Suite. An open training session for residents is planned in the late spring/early summer and dates for this will be circulated in due course.
