

Hedgehog Way

How many hedgehogs are there in Charlton Kings?

Help us to find out by using footprint tunnels to survey for hedgehogs.

Meet at Beeches Playing Fields Car Park GL53 8LY for a 5pm start, ends by 6.30pm.

All welcome.

Sunday 21st October 2018 (Training on how to use footprint tunnels and setting them up)

Monday 22nd to Thursday 25th October 2018 (Looking at results and resetting tunnels)

Friday 26th October 2018 (Looking at results and collecting tunnels)

Hedgehog Way works in neighbourhoods to improve habitats and increase safe roaming for hedgehogs around the area. Surveying will give us an idea of how many hedgehogs are in the area. To find out more about Hedgehog Way, visit gloucestershirowildlifetrust.co.uk or email georgia.spooner@gloucestershirowildlifetrust.co.uk or call 07586 571629.

Gloucestershire Wildlife Trust is a charity which manages 60 nature reserves around the county, runs events and courses to help people get closer to local wildlife, and is involved with a number of projects which support communities and individuals to enjoy being outside.
