

CK Health Connect

Supporting our Community to successfully transition out of Covid-19 restrictions

Charlton Kings Parish Council & their community health partners are working together to understand how the needs of our community may have changed due to Covid-19. Your responses to this short survey gives you a voice and will allow us to focus on the health & well-being needs of the community as we emerge from lockdown. If you have a few minutes to spare, please complete the survey and post your response in the box provided. **All data is gathered and stored in compliance with the Charlton Kings Parish Council General Privacy Policy.** This policy can be viewed in full on the Parish Council website.

1) Do you agree to take part in this survey which has been created by Charlton Kings Parish Council? The data collected will be used solely for the purposes of guiding community support during the transition from lockdown.

Yes I am happy to take part in this survey

No I do not want to take part in this survey

2) What things have you found the most challenging for you or members of your family throughout Covid?

3) What positives have there been, if any, for you or members of your family throughout the last year of Covid-19?

4) What are you most looking forward to doing post-lockdown? Why is this important for you?

5) What supports do you think are needed for you/your family/your community in the future?

6) What gender do you identify as?

Male Female Other Prefer not to say

7) How old are you?

Under 18 18-30 31-45 46-60 61-75
Over 75 Prefer not to say
