

# HEALTH & WELL-BEING DIRECTORY

**Charlton Kings Parish Council is delighted to announce that your local Directory is now available.**

This is a comprehensive 'one-stop-shop' listing of support services and activities in the Charlton Kings area and beyond. It can be downloaded and you can print out any pages that are of interest.

For those of you that do not have access to a computer or a printer, we will be providing a limited number of printed versions for you to browse. These will be placed in various community hubs across Charlton Kings, including the Parish Council office, the local library, the Sixways Clinic and other therapeutic centres, schools, local pharmacies, community cafes and churches. They will be available in the New Year.
