

**CK Futures** is an initiative created by Charlton Kings Parish Council in response to the climate and ecological emergencies. Our aim is to help the parish play its part in protecting our environment. This survey is anonymous, designed to understand the position of residents on subjects such as resource waste, personal carbon footprints and plastic pollution. The survey results will be used to drive our plans.

The survey will close on 20<sup>th</sup> December 2020.

For more information about CK Futures please see the final page of this questionnaire.
